A team outing with Bosgenoten means **connection, fun, indulgence** – with a warm welcome, snacks, drinks and an unforgettable experience that will be talked about for a long time to come.

Programme

Warm welcome

15.00 Your outing begins at a cosy hospitality venue. Enjoy coffee, tea or a drink of your choice. You can start off in true Burgundian style with a slice of Limburg vlaai or other bites.

Closing

The activities

You can choose from one of three types of team outings. Each team outing begins with a short “Mushrooms for Beginners” introduction.

Team outing Mushroom hunt (autumn)

In small groups, you'll go look for mushrooms in local nature, with the challenge of learning to identify and photograph mushrooms for beginners.

Team outing Kombucha

Discover how to make fermented tea, taste different varieties of kombucha and take a starter kit home with you. Cheers!

Team outing Cooking with mushrooms

Learn how to cook delicious mushroom dishes and enjoy the results together during your mushroom dinner.
